

THE NEW FIBREGLASS PRO SHELF LADDER

PRODUCTIVITY, COMFORT & SAFETY

- ✓ **ProTop™** with magnet & "V" shape design provides greater stability on corners and non-marring rubber tread protects the work surface
- ✓ The bottom of the ladder is flared for stability
- ✓ 136kg load capacity (includes weight of user plus materials)
- ✓ Double rivet step construction
- ✓ **SHOX** and **DaBoot** for superior impact absorption
