

Lyte Industries (Wales) Ltd

OCCUPATIONAL HEALTH & SAFETY POLICY

Lyte Industries (Wales) Ltd regard the promotion of Health and Safety measures as a mutual objective for Management and Employees at all levels.

It is therefore our policy to do all that is reasonable for everyone, including the public, in so far as they come into contact with the company, its operations and buildings, to prevent personal injury, illness and damage to property and to eliminate foreseeable work hazards and reduce risk. In particular, we will: -

- Provide adequate control of the health and safety risks arising from our work activities;
- Consult with our employees on matters affecting their health and safety;
- Ensure safe handling and use of substances;
- Provide information, instruction, and supervision for employees;
- Ensure all employees are competent to do their tasks, and to give them adequate training;
- Maintain safe and healthy working conditions; and
- Prevent accidents and cases of work-related ill health.

All employees have a duty to co-operate in the operation of this Policy and are required to: -

- Co-operate with supervisors and managers on health and safety matters;
- Not interfere with anything provided to safeguard their health and safety;
- Take reasonable care of their own health and safety; and welfare
- Report all health and safety concerns to an appropriate person.

We will periodically review our health and safety policy to ensure that it remains relevant to the needs of our staff, organisation and legal and other requirements. We recognise that improving health and safety standards is an ongoing process.

Lyte Industries (Wales) Ltd is committed to supporting the principles of this policy at all levels within our organisation.
